

## Storyboard Reflection

1. What was the text about?
2. How well did the Storyboard adaptations represent the text?
3. What was similar about the text and adaptation?
4. What was different about the text and adaptation?
5. Why was the adaptation different?
6. Did the mood or theme change between the text and the adaptation?
7. Has your partner's point of view appeared in the adaptation? How? Why?
8. Did your partner make a literal adaptation of your story? Why or Why not?
9. Are there limits to how much something can or should be changed?
