

Compare & Contrast Guiding Questions

When trying to compare:

- What did you notice as true in the film and the written myth?
- What characters fill the same role in both myth versions?
- What is similar about the character of Hercules in both versions?
- What plot elements are similar in the film and written myth?

When trying to contrast:

- What characters hold different roles in the film and written myth?
- Do additional characters appear in either version?
- What is different about Hercules's character throughout both versions?
- What plot elements are unique to one version of the myth?
