

COMPARATIVE ANALYSIS

1. Compare and contrast *I Can Hear the Sun* and *The Women Who Outshone the Sun* in terms of the main character's special connection with nature.
2. Compare and contrast *The Secret Footprints* and *The Women Who Outshone the Sun* in terms of discrimination.
3. In which book is the main character most feared by others? How is this fear shown?
4. Make a real-life analogy between *The Women Who Outshone the Sun* and people who fear others because they are different.
5. Think of analogies for the following:
 - Ciguapas who have their feet on backwards can be compared with _____ in real life.
 - A woman who can hold the river in her hair can be compared with _____ in real life.
 - The villagers losing their river because they take it for granted can be compared with _____ in real life.
6. Why do you think people discriminate against others?
7. What can you do to stop discrimination?
