

Name of student being assessed: _____

Name of student performing assessment: _____

.....

Peer Evaluation Sheet

.....

1. Which tasks were assigned to this student?

2. In what ways did this student help the group? What was his or her best work?

3. What difficulties, if any, did you observe the student having?

4. Briefly describe the student's participation in group activities.

5. Rate the student on the following skills by checking one box for each skill:

SKILL	Very good	Good	Okay	Struggled
Ability to work independently when appropriate				
Ability to work effectively in a team when appropriate				
Ability to complete his or her specific group assignment
