HISTORY DETECTIVE SKIT ASSESSMENT

Element	Score	
	Group	Teacher
The skit concept is interesting and appropriate to the project.		
The skit conveys accurate information.		
Each group member played an important role in the project.		
Dialogue, character actions, and props (if any) supported the plot.		
The skit was rehearsed sufficiently.		
The audience could easily see and hear the skit.		
The skit was entertaining.		
The performance length was at or around five minutes.		
The written script used the skit format we discussed in class.		
Group members worked well together.		
The group as a whole put forth its best effort.		
Total		

Scoring Key

3—Best-quality work: very clear, complete, and well presented

2—Quality work: relatively clear, complete, and well presented with room for improvement

1—Moderate work: less clear, partially complete, decent presentation

0—Below-standard work: vague or unclear, incomplete, and poor presentation
